

*... its just better !*

### *More is better*

- Up to 60% more sites without the extra price
- Saves more space, making less waste

### *Cooler is better*

- Up to 10° cooler than other systems
- Up to 4x more air supplied to the root zone

### *Curves are better*

- Round edges make cleaning easy and effective
- Curved design makes the system stronger

### *Choice is better*

- Four sizes to fit your growing needs !
